

Yearly Status Report - 2019-2020

Par	t A
Data of the Institution	
1. Name of the Institution	NUTAN VIDYALAYA SHIKSHAN SANSTHA'S NUTAN MAHAVIDYALAYA, SELU
Name of the head of the Institution	Dr. Sharad Sonajipant Kulkarni
Designation	Principal
Does the Institution function from own campus	Yes
Phone no/Alternate Phone no.	02451-222004
Mobile no.	7517088411
Registered Email	drnirmalapadmavat@gmail.com
Alternate Email	nspadmavat@gmail.com
Address	Jintoor Road Selu, Raigad Corner
City/Town	Selu
State/UT	Maharashtra
Pincode	431503

2. Institutional Status	
Affiliated / Constituent	Affiliated
Type of Institution	Co-education
Location	Rural
Financial Status	Self financed and grant-in-aid
Name of the IQAC co-ordinator/Director	DR. NIRMALA SHIVRAM PADMAVAT
Phone no/Alternate Phone no.	02451202280
Mobile no.	9890308390
Registered Email	drnirmalapadmavat@gmail.com
Alternate Email	nspadmavat@gmail.com
3. Website Address	
Web-link of the AQAR: (Previous Academic Year)	<u>https://assessmentonline.naac.gov.in</u> /public/index.php/postaccreditation/aga rparta
4. Whether Academic Calendar prepared during the year	Yes
if yes,whether it is uploaded in the institutional website: Weblink :	https://www.nutanmahavidyalaya.com/imag es/IQAC Meeting-2018-19.pdf
5. Accrediation Details

13. Plan of action chalked out by the IQAC in the beginning of the academic year towards Quality Enhancement and outcome achieved by the end of the academic year

Plan of Action	Achivements/Outcomes
1. To apply for the NAAC Accreditation cycle three	The NAAC Accreditation cycle three completed and received B grade
2. To celebrate the Golden Jubilee year of the college.	The Validctiory Function of Golded Juilee year is completed on 18th, June 2019, with the presence of Indian great Scientist Dr. Anil Kakodk and Dr. Udhav Bhosle VC Swami Ramanand Teert Marathwada University, Nanded
3. To organize the International Conference	International conference is organized on "Sustainability Development I and

-		Higher Education " by Commerce and Economics Department
	4. To introduce a new degree course (BBA Agriculture)	The Degree Course BBA in Agriculture is introduced on the self Finance bases
	5. To Sign more MoUs with industries	MoUs are signed with: a. White Code-a digital Platform, b. Bajaj FinServe, with KKM College, Manwat, English Department (Late. Nitin College, Pathari
	6. To develop the Software for Measuring COs, POs and SPOs	Mr. Pankaj Soni, (BCA Department Has developed Mapping software for the college as well as other colleges too
	7. To introduce New Certificate Courses on Training and Placement	Under MoUs with Bajaj FinServe, the certificate course in Banking, Finance and Insurance is completed successfully
	8. To develop advanced English Language Lab	With the support of Alumni of Sister Unit(Junior College) Er. Gopinath Latpate Advance English Language is developed
	9. To purchase New and advance Software of English Language Development Skill	DLM Language Development Software is purchased for English Language Lab
	10. Beautification of the Campus	The beautification of the campus is done

attendance, update student performance, and mentormentee counselling information. It also helps us to monitor the progress of scheduled classes and various other administrative works. It also assists us to communicate students' performance to parents through SMS, and EMail. Parents are also provided with login credentials through which they can access to their information by logging into the LMS portal.. ERP and CMS softwares are used for admission, teachinglearning process, administration, account and library. the other two softwares are used in the library. after the pandemic situation at globe, these is major issue of direct and facetoface teachinglearning process, hence google meet, Zoom, support of CMS for online teaching, goggle classrooms are opened by many teachers, through yuotube channel, many teachers are conducting online classes. the faculty Development Training Program is also organized on online mode and maximum of these are uploaded on the college website under the head of econtent development. Thus, LMS is used for maximum academic and other tasks of the college.

Part B

CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

NVSS'S Nutan Mahavidyalaya, Selu is affiliated to Swami Ramanand Teerth, Marathwada University Nanded follows the syllabus prescribed by the university. Institute prepares its academic calendar in line with the academic calendar issued by the university. The College Governing body along with IQAC and CDC plans the academic schedule which will be given in academic dairy. The academic schedule comprises of semester beginning, end of semester, internal examination, external examination, holidays, seminars, industrial visits, guest lectures, workshops and faculty development programs schedules. Timetables are prepared based on the subjects allotted to the faculties. Teaching plan: All the faculties maintain their individual academic dairy issued at the beginning of semester which includes time-table, lesson plan, teaching schedule and class tests. The academic diary is updated by the respective faculty on daily basis and it is being monitored by IQAC. Lesson plan includes course outcomes, course objectives, course content, reference books, web resources and gaps in the syllabus. The students are expected to achieve the course outcomes at the end of the semester. Lesson plan gives students an insight into the flow of topics that will be carried out throughout the semester. Student's Interaction Sessions: A degree of communication is required in every aspect, which makes

learning easier, helps students achieve goals, increases opportunities for expanded learning, strengthens the connection between student and teacher, and creates an overall positive experience. To promote this interaction, the following programs are conducted in the campus: Induction Program: NVS'S Nutan Mahavidyalaya, Selu conducts week induction program for all the semester where students will have an opportunity to interact with faculty, administrative staff and alumni and they will be given briefing of subjects that will be dealt in that semester. During this induction program test related to subjects been learnt in pervious semester is been conducted to identify fast learner and slow learners. Mentoring: The college has adopted the Mentor-Mentee process to support the students in curricular, curricular, extra-curricular, and personality development. The Mentor-Mentee ratio is 1:20 Orientation Program: The students are orientated towards semester course work, workshops, guest Lectures in every semester to fill the gap between industry and academics.

Feedback Obtained							
Feedback Obtained Feedback Obtained Feedback Analysis Report: Nutan Mahavidyalaya, Selu has regular practice of collecting feedback from all stakeholders as students, teachers, parents, Alumni and Employers. The College asks the stakeholders to fill the feedback form. It is filled by the students at the end of the academic year while teaching and no-teaching staff at the end of Academic year. As the college gets information about the placement of students, the college collects the data from places students with the appointment order and joining letter of students. Then the college sends the feedback form to the higher authority of placed students either by mail or hard copy form whatever is possible. These feedback forms are analyzed by the IQAC and results are provided to the Principal. Students' feed form and after analyzing the result, as per the need of the analyzed result, the Principal calls the faculty member individually and asks to solve the problem which was found during the analysis. The college asks different forms for different students in five parts such as Teaching-Learning Analysis Feedback, Library Support to Students, Office cooperation to Students, Mentor-mentee Support Scheme and another stakeholder (Participates in Seminars workshop, tournaments etc.)

2.5.2 - Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The Program Assessment Committee (PAC) consists of principal, Heads of Departments (HODs) and controller of examinations. The PAC is responsible for preparing the academic calendar before the commencement of the semester. The academic calendar breaks down the academic year into two semesters. It provides the information of the courses for the semester, dates of commencement of class work, syllabus completion, examinations, list of holidays, and the total number of working day The faculty members of the concerned department gather the lists

of courses for the coming semester, and the HOD finalizes the allocation of courses based on the faculty's choice and area of specialization. Faculty members then prepare the lesson plan before the commencement of semester, indicating the topics to be covered, teaching methodologies being applied, and assignments given to students and the number of lectures. A course file for each course is prepared by the faculty, which includes course objectives, outcomes, schedule, references, study material, and questions from previous examinations papers. Students will be provided with the course file in the first week of the semester to provide them awareness about the subject and plan for the semester. The evaluation process for each subject is duly reviewed by a senior faculty in the department, approved by the HOD, and then made available to the students. Timetable in-charge of each department prepares the timetable as per the guidelines given by the university and gets it approved by PAC. The time-table is then uploaded in LMS system and displayed on the respective department notice boards. The performance of the student is assessed on a continuous basis by conducting two mid-exams per semester based on the university norms. The average marks of both mid-terms are taken into consideration. In addition to the tests, assignments, and quizzes are also part of assessment. The evaluated answer scripts are shown to the students to clarify their doubts about the evaluation process. The academic schedule prescribed is strictly adhered by all departments. The college maintains a high standard through continuous assessment and ensures end semester and practical examinations are conducted jointly by the concerned teacher and an external examiner appointed by the university. Schedule of the end-semester examinations and rules and regulations about evaluation of students under various courses are also included in the academic calendar.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institution strictly follows the calendar of the examination system printed by the affiliating university continues escalation of students pre-examination process and post examination process all are strictly for and confidential adhered to the university directives are strictly allowed and implemented. The college follows the semester system and CBCS system and the institution undertakes and monitor the continue assessment of the institute through different methods at the end of the end semester- for the development of students. There is systematic mechanism to conduct all examinations internal test practical and prescribed measures are there to address the students' evaluation grievances. The marks of the internal assessments' are displayed on the notes board and web-site of the college. The exam related grievances are solved by the Exam Committee of the college. If any student has doubt about their result, as per the norm of the parent university he/she can fill her form of rechecking/ reevaluation. The college supports to complete all the formalities related to it. Even any stakeholder has a doubt, he/she can ask for Xerox copy of answer sheet from the university in the deadline time given by the university with paying fees for it. The college exam committee timely displays these all exam related notice on college notice boards, sends mails to the students and even they need guideline, person counsel ling is also done by exam committee as well as other faculties including teaching and non- teaching.

2.6 – Student Performance and Learning Outcomes

2.6.1 – Program outcomes, program specific outcomes and course outcomes for all programs offered by the institution are stated and displayed in website of the institution (to provide the weblink)

library, seminar halls and open air theatre for effective learning and development process. Institution has well furnished smart classrooms for interactive teaching-learning sessions. ERP software is being utilized for admission of students, change of courses, attendance record, feedback .Accounts Section, Establishment Section and Student Section are also utilizing ERP software facilities. College has ladies common room, ladies staff room, boys non-residential student center, girls hostel and boys hostel. To maintain the physical infrastructure, the parent institution appointed an authorized and reregistered civil Engineer on yearly contract basis. The contract is the matter of renewal after a specific period of 11 or 12 months. Same is the procedure of electronic and ICTA maintenance. The stock register and dead stock registers are maintained by all department including sport department. For effective teaching and learning process, the institute provides adequate ICT facilities via Wi-Fi, LAN, computer system. The Institution has a separate committee to evaluate the maintenance of classrooms, library, sports facilities, and laboratories To increase the mental alertness and physical fitness, institute motivates students to participate in various sports activities and provides them open playground under the guidance of a well qualified physical director. The institute has well established Student Welfare Department which helps them in personality development, communication skills, and leadership skills, which helps them in the placement process. annual department audit is the regular practice of the college which helps for proper maintenance and utilization of physical, academic and support facilities laboratory, library, sports complex, computers, classrooms etc.

5.3.2 – Activity of Student Council & representation of students on academic & administrative bodies/committees of the institution (maximum 500 words)

The college has to follow rules and regulation of Maharashtra for the forming student counselling. According to it, the student counsel can not be formed as per norms of government of Maharashtra. But we give chance to students in all committee including IQAC and CDC. Nutan Mahavidyalaya Selu created a student council for active participation of students in the academic administrative bodies empowers the students in gaining leadership qualities and execution skills. Student Council improve academic standards and create a sense of ownership towards the institution. Student council helps in bringing out the talent of students in curricular and extracurricular activities during academic year, which are as follows: Academic Achievements: Two students received First Rank in the university in the subject English (2013-14) Botany (2016-17) Achievements in extracurricular activities: Number of students received awards at Zonal, university, and statelevel details are uploaded on website. One student received The best Actress Award in University Level competition in Youth Festival. The team of Drama received Second Rank at State level Drama competition and three best Awards, Best Stage, Best Light and Best Actress. Committees formed in the institute Grievance and Redressal committee: The students develop a responsive and accountable attitude among all the stakeholders to maintain a harmonious educational atmosphere in the institute. Women cell Prevention of Sexual Harassment Cell: The student representatives are made aware to prevent sexual harassment by the faculty, promoting gender equity among the students, teaching and non-teaching staff. Anti-Ragging Committee: The student representatives are educated by the faculty regarding antiragging and are monitored in preserving a culture of ragging free environment in the institution. Disciplinary Committee: The committee members maintain discipline in the institution, which includes classrooms, corridors, laboratories, sports ground, canteen and other common areas used by the students. NSS committee: The student representatives along with the faculty motivate the students to participate in different service programs in the institution and nearby villages like Blood Donation Camp, hygiene awareness camp, soil testing camp and many more. Sports Committee: The student representatives along with the faculty motivate the students to participate in indoor and outdoor games like cricket, volley ball, basket ball, chess, table tennis and kho ko Cultural Committee: The student representatives promote and

arrange extracurricular activities and bring out the talent of the students with the help of the faculty organize activities for annual day, women's day and science day. Library Committee: The student representatives ensures in smooth functioning of the library and coordination with all Head of the Department's, faculty and students. SC/ST Committee: The student representatives with the help of the faculty make aware about their reservations.

5.4 – Alumni Engagement

5.4.1 – Whether the institution has registered Alumni Association?

No Data Entered/Not Applicable !!!

5.4.2 – No. of enrolled Alumni:

280

5.4.3 - Alumni contribution during the year (in Rupees) :

200000

5.4.4 - Meetings/activities organized by Alumni Association :

04

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

1. The Institute follows the scalar chain in the functioning of work. The work from top to bottom functions as the Governing Council and LMC/CDC (College Development committee) meeting beside the IQAC with the contribution of teaching, non-teaching staffs and student representatives. 2. In quality maintenance and students development is the major function of IQAC. With the communication of LMC/ CDC and Governing Council, the IQAC takes the student centric decisions. Being the head of institute, the Principal trusts in team work and egalitarian working environment through conducting meetings with teaching and nonteaching staff. Departmental responsibilities and authorities are given to the Head of the Department who conducts the departmental meeting of teaching staff and nonteaching staff for the assessment of curricular, cocurricular and extracurricular activities as per the need. The faculties play a central role in institutional achievements by is active participation in teaching-learning process and functioning of various administrative committees. The faculties involvements found in different decision making committees as LMC/CDC, IQAC, and Grievance Re-dressal cell etc. Budgetary provision is made by the principal before the opening of the academic year and put forth for the study towards of the CD/LMC/Governing bodies. 6.2.2 Organizational structure of the institution including governing body, administrative setup, and functions of various bodies, service rules, procedures, recruitment, promotional policies as well as grievance redressal mechanism Response: Our governing body is lead by the Chairman with co-operation of the Principal, and Administrative officer. All the HODs will report to Principal. Our Finance officer and Administrative Officer will report to the principal. The Institute has the following cells: Administration office: It takes care of administrative work, maintains records related to academic and non- academic work. Exam branch cell: It takes care about examination work such as printing of exam paper, maintaining the record

of results, allotment of exam duties and exam-hall arrangement Women Cell: It works for gender equality and welfare of women (employees, students) under the guidance of the Committee Head. They can address their issues to solve their problems. National Service Scheme: Institute encourages students to work for the welfare of the society. RD: It keeps records and updates of the faculty, informs university notifications and acts accordingly. It includes science incubation centre. Library: Institute has well developed and updated conventional library and e-library. It provides assistance/ guidance to the students to perform well in their academics. Grievance Redressal Mechanism: It has women cell committee, disciplinary committee, and anti-ragging cell to receive complaints and to take action accordingly. Anti ragging: Institute has Anti Raging Cell to fulfill student's safety measures and squad for menace of ragging in the college and immediate action always taken against the culprit. Sports Games: Institute has sports instructor, under his guidance our students have participated in various tournaments and won the prizes. Placement Cell: It helps and guide students to secure jobs through placement drives conducted in the campus.

6.1.2 – Does the	institution have	a Management	Information S	ystem (N	/IS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Industry Interaction / Collaboration	The college has MoUs with Industries and INTERNATIONAL CENTRE OF EXCELLENCE IN ENGINEERING AND MANAGEMENT and other industries. ICCEM College Aurangabad provides the guideline on Intellectual Property Rights, collaborative Training and workshops are conducted. The students are prepared with practical training in demo session conducted by NMS and ICEEM. They guided students how to connect with professional through the platform of Linked in. with the support of Blue Tie, another social media platform like Linked in, Nutan Mahavidyalaya opened own platform on Blue Tie in which students can connect many professionals at global level and take training as well solve quires regarding to their career.
Admission of Students	The admissions of the students are followed as per rules and regulation defined by the affiliating University -Swami RAmanad Teerth Marathwada University. The college believes on the decentralization of the work, hence program wise Admission Committees are formed per year and all these committees works under the guidance of Academic Committee and IQAC which forms for the Frame work of admission process. All the committee are formed in the month of May every year

	committee including Admission committee. There is more demand of students for admission as compare to intake capacity so online registrations are asked to be done by students. As per merit list, the admissions to the students are finalized in the college. All the rules and regulations with fees are declared in the prospectus. During the admission time, the form of undertaking is taken by the students declaring the acceptance of rules and regulations defined by Anti-ranging committee. Thus, the entire process of admission is very clear and transfer.
Research and Development	admission is very clear and transfer. To imbibe research culture in institution, Science Incubation cell arranges conference, workshops and seminars. The institution also encourages faculty and students to participate in conferences, seminars, and workshops. Faculty and students are encouraged to visit reputed research labs and industries to carry out their projects build their technical skills. Institution has signed MOU with industries to provide internships, and industrial training for both faculties and students. Institute participates in community service activities by collaborating with local and regional communities for holistic development of students. Institute conducts the soil- testing and vermi compost workshop once or twice in a year, for the awareness donation camp, Free-health Check-up camp, Swach Bharat Abhiyan, health and hygiene awareness, community learning and education development programs are conducted by NSS cell. The College has its Student Magazine entitled 'Prerana' in which students write their articles about environment and environmental. As a environmental consciousness, College celebrates bi-cycle day, no-vehicle day and motivates faculties and students for pooling of vehicle. Institute provides free ship and scholarship for needy students. Felicitation of Meritorious Students is done by giving them prize money given by the contributors in order to motivate them. Science Incubation Centre: Following
	activities are carried through science incubation centre: The college is located in Marathwada Region in Maharashtra which is been affected by natural calamity like draught and heavy

	rain. This condition is been analysed and preventive measures of soil erosion is been carried out by conducting soil
	treating workshop in neighbour villages. The test results is been given to the farmers on the same day and required expert guidance and
	remedial measures are suggested. Institute also conducts workshop in vermi-compost and bio fertilizers for the farmers. The college has its own
	botanical garden where there are many medicinal plants. Institute has rain water harvesting system to meet day to day requirement of water in the campus
	and localities. It has an effective method of solid waste treatment .The college has installed solar panel so has to save energy. Students Magazine
	entitled 'Prerana' is published yearly in which students write article on awareness of Nature, Natural resources
	and conservation of natural resources.
Teaching and Learning	The prescribed measures are there to address the students' evaluation grievances. The marks of the internal assessments' are displayed on the notes board and web-site of the college. The exam related grievances are solved by the Exam Committee of the college. If any student has doubt about the result, as per the norm of the parent university he/she can fill her form of rechecking/ revaluation. The college supports to complete all the formalities related to it. Even any stakeholder has a doubt, he/she can ask for Xerox copy of answer sheet from the university in the deadline time given by the university with paying fees for it. The college exam committee timely
	displays these all exam related notice on college notice boards, sends mails to the students and even they need guideline, person counselling is also done by exam committee as well as other faculties including teaching and non- teaching. The implements the curriculum effectively by framing academic
	calendar which is in line with the academic calendar issued by the university .The college academic calendar includes seminars, industrial visits, guest lectures, workshops, and create awareness about the course objectives among students, teaching and
	non-teaching staff. College plans its annual academic schedule in its

academic dairy with clear note of timetable, expected lectures, available lectures, actual taken lectures, covered and the quantity of the syllabus to be covered, class tests and preliminary exams to each faculty. Faculty makes the entry in the academic dairy on daily basis of their teachinglearning and co-curricular activities to keep the track of the academic progress. Our curriculum follows mentoring system of 1:30 mentor-mentee ratio. The teaching-learning process is enhanced by collecting feedback from the stakeholders. College has College Management System (CMS) to monitor attendance, update student performance and mentor-mentee counselling information. This information will also be provided to the parents by SMS, e-Mail and by giving them login credentials of CMS. For the development of students, our curriculum includes gender sensitization which involves basic dimensions of the biological, sociological, psychological and legal aspects of gender by conducting debates, group discussions, and seminars. The institution works to develop ethics among students under a course named Human Values, and Professional Ethics" through Gandhian Studies. The new courses with CBCS pattern and electives are introduced. To bridge the gap between curriculum and industry requirements, bridge courses are introduced from time- totime. The admissions process of the institution is conducted by state government and university norms. The recruitment of faculty is done according to the university norms. The college organizes the Orientation programs for first year students' and induction program for second and final year students ', during this program fundamental test is conducted to identifies slow, and advanced learners . Institution incorporates various strategies for facilitating slow learners by the collaborative learning process, clarifying doubts, revising important concepts and practice problems in subjects. Student-centric methods such as experiential learning, participative learning, and problemsolving methodologies are used to enhance students' learning experience.

access these in their own free time.1.NPTEL: The faculty and students have been using NPTEL in our institute to understand the current theories, practices, tools and techniques with challenges. 1. Real world learning: It permits students to experience and test themselves in situations before encountering them in real life. Faculty gives an idea to create a tangible, useful product to be shared with the real world. 2. Brain storming: Faculty implements this technique by giving them a problem statement to which students need to brainstorm to get possible solutions. Students' creativity is churned out by this technique. Classes outside the class room: Some lessons are best learnt outside the class room and sometimes teaches amidst plush greenery where the environment is invigorating and the students also feel different from the routine.Examination and EvaluationThe college follows guidelines of university for internal evaluation and		Advanced learner are provided platform through literary forum, science association, Avishkar Festivals and are motivated to participate in Debate competition, seminars, conference and poster presentation, essay writing competition, microbiolympiad competitions in other colleges . Institution implements effective teaching-learning practices with interactive techniques. Institution engages students in higher-order learning through group discussions, debates, seminars, presentations and use of ICT resources. Active participation of students in learning is used to introduce and explain basic concepts, characteristics of the topics with providing the latest information on the topic. For the presentation of seminar, the topics from syllabi are chosen and allotted to the students. The institute arranges study tours, industrial and field visits of students to learn better by practical knowledge and can grasp the subjects effectively, Video lectures: Institute encourages faculties to take videos of their lectures to be uploaded on You- tube
Examination and EvaluationThe college follows guidelines of university for internal evaluation and		<pre>lectures to be uploaded on You- tube channel to facilitate the students to access these in their own free time. 1.NPTEL: The faculty and students have been using NPTEL in our institute to understand the current theories, practices, tools and techniques with challenges. 1. appearance procedure and arbo displays	Examination and Evaluation	The college follows guidelines of

it on CMS portal to maintain transparency. The procedure for internal assessment is based on academic theory, practicals and nonacademic activities. The Program Assessment Committee (PAC) is responsible for preparing the academic calendar before the commencement of the semester which is followed strictly by the department. Attainment of program outcomes, program specific outcomes, and course outcomes are evaluated by the institution using Bloom's Taxonomy. .Fetch an answer beyond the topic: Faculty gives students a task which is beyond the topic. Students are required to fetch an answer by visiting library and labs. Innovative assessment methods: Faculty implements formative assessment methods to monitor student's learning through homework, tests and quizzes. The exam schedule f both internal and external is uploaded o The affiliating University has made following reforms in the evaluation process 1) Each paper is divided into 40:10 patterns 2) 40 marks are for university evaluation and 10 marks are for internal evaluation 1. The 10 Marks internal evaluation comprises of students' performance in tests, tutorial, seminars and attendance. It is on the basis of internal evaluation that the marks are forwarded to the university for 40:10 pattern form the academic year 2009-2010 the university has introduced semester system at B.A. B.COM., B.C.A. First year and BBA 2.University forwarded to the CBCS pattern. From the academic year 2015-2016 at UG PG programms. The CBCS Pattern contains continuous assessment: two written test and Assignment. The marks of continuous assessment are conveyed to the university. The assessment of the answer books at the end of exams for First Year. And Second Year is done by the college teachers of the same institution and for Third year the answer books are sent to the others CAP Centre of the University. n the college website. Continuous assessment shall be carried out as per the procedure given below: Theory Courses Two tests, each carries 30 marks, are conducted in the semester as per the university norms. Ten marks for descriptive, ten marks for objective

and five marks for assignments are allotted. The average marks of the two tests are taken as final marks. Practical Courses Every experiment is executed and evaluated based on the experiments prescribed by the university. There are two internal tests in the semester. The criterion for internal assessment marks (25 marks) is based on the university guidelines. Non-academic Along with academics, Nutan Mahavidyalaya Selu assesses students for their participation in co-curricular and extra-curricular activities. Parameters for evaluation are the enrolment of the students in student welfare department, various professional societies, cultural clubs, and sports. Project Work There are two kinds of projects namely mini-project and major- project. These projects are reviewed by an internal guide, project coordinator and head of the department. The marks for the mini-project are awarded by the head of the department with the help of the concerned internal guide, and the marks for the major project are awarded by the external examiner. The faculty conduct surprise test, unit test, assignments in the form of presentations, spoken and written exams, open book exam, and team work based tests to bring in various evaluations. These tests help students to improve their performance in the internal and external examination. The details of the evaluation process, regulations, curriculum, and syllabus of all the programs are displayed on college website and notice board to maintain transparency, Also, minimum attendance and passing marks requirements for the internal assessment are communicated to the students during the orientation program, which is held for newly admitted students. The evaluation process is also informed to all the students and the parents. The institution strictly follows the calendar of the examination system printed by the affiliating university continues escalation of students preexamination process and post examination process all are strictly for and confidential adhered to the university directives are strictly

	allowed and implemented. The college follows the semester system and CBCS system and the institution undertakes and monitor the continue assessment of the institute through different methods at the end of the end semester- for the development of students. There is systematic mechanism to conduct all examinations internal test practical
Library, ICT and Physical Infrastructure / Instrumentation	Library, ICT and Physical Infrastructure / Instrumentation: Library is well equipped with reference books, textbooks, journals, periodicals and newspapers etc. The Library housekeeping operations are automated through Soul 2.0Library Software. 3. The Library has subscription to N-LIST by UGC - INFLIBNET, through which teachers Research Students can access download many E-resources in respective subject. Library Audit is the regular practice. There are many schemes run by library such as the Best Reader Award, The exhibitions of books, Literary critic etc. The reading room for students is made available by library. There are rare books and periodical available in the library. The wifi internet facility is available in the college. All computers are connected with access to internet and a total 03 classrooms, Six laboratories with LCD facilities wifi/LAN facilities. There are three Smart Classrooms equipped with state of art software and digital boards. The college established recording room with well equipped instruments.
Human Resource Management	The institution follows scalar chain technique defined in the 14 principles of management. It believes in decentralization of the work. The codes of conducts are displayed at the entrance of the college as well as on the website of the college for all stakeholders. The Citizen Ship chart is displayed at the entrance f the college and on the website of the college. The Institute appoints adequate number of qualified faculty through the defined process of UGC, State Government and Affiliating University. The procedure of open advertisement and interview by internal expert committee is used for recruitments. Under the guidance of IQAC, the Institute organizes various FDP programs for both teaching and non-

	<pre>teaching staff members for upgrading their skills in the latest technology. Heath checks up camps are organized for teaching and non-teaching staff. On call doctor facility is available in the health centre of the college for all stakeholders. In the Medical leave provision is given to the faculty and staff members based on the request. Paternity and Maternity leaves are given ti the staff as per norms. On duty leave is provided for pursuing higher studies, attending FDP courses, seminars, conferences, workshops, exam duties. The faculty and staff members are entitled to avail summer and winter vacations, casual leave and compensation leave. Separate Tiffin corner, bike stand, Rest rooms, separate toilets, are available to male and female staff, girls and boys</pre>
Industry Interaction / Collaboration	students. The college signed more MoUs with industries for innovation and technical skill development. It has MoU with ICEEM College Waluj, which runs Engineering and Management courses. This College support to our college for several skill developments amongst students through training. Due to pandemic situation, the online training is conducted. The collaborative activities are conducted as Career guidance Software Development, Website Development, Web development, Android Application etc. in turn we have to provide them soft skill, communication skill and personality Development.

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Planning and Development	Institute had to keep up the documentation in more transparent way so, from the last 05 decades records of students are enlisted in digital form in the administrative office, accounting of students with pending dues and paid due are empanelled in the library. Documentation was essential to keep a track of scholarship and free ship issued to needy and for students with high academic excellence. Students admission details into different courses Academic results of students, to know the performance of students in
	each courses Important document, government circular and important

notices are categorized properly Institute had to keep up the documentation in more transparent way so, from the last 5 decades records of students are enlisted in digital form in the administrative office, accounting of students with pending dues and paid due are empanelled in the library. Documentation was essential to keep a track of scholarship and free ship issued to needy and for students with high academic excellence. Documentation was essential to keep a track of scholarship and free ship issued to needy and for students with high academic excellence. Students admission details into different courses Academic results of students, to know the performance of students in each courses Important document, government circular and important notices are categorized properly Institute had to keep up the documentation in more transparent way so, from the last 5 decades records of students are enlisted in digital form in the administrative office, accounting of students with pending dues and paid due are empanelled in the library. Documentation was essential to keep a track of scholarship and free ship issued to needy and for students with high academic excellence. Students admission details into different courses Academic results of students, to know the performance of students in each courses Important document, government circular and important notices are categorized properly Nutan Mahavidyalaya implements LMS. It is a platform to monitor attendance, update student performance, and mentor-mentee counselling information. It also helps us to monitor the progress of scheduled classes and various other administrative works. It also assists us to communicate students' performance

	to parents through SMS, and E-Mail. Parents are also provided with login credentials through which they can access to their information by logging into the LMS portal. The college uses the CMC Software for the planning and development. apart from it, the college is using the ERP software for the planning and development.
Administration	The college has purchased CMS software in 2008 and ERP in 2017. After that all admission process including registration is completed through these two soft-wares. Online submission of registration form for admission is used. After that the first general list of admission form, with lacunas of documents is displayed. The merit list is displayed on the college website, at the entrance of college. Apart from it, the mode of Text message, mode of Whatsapp message and mode of email- is used for selection and other further communication with students. The college has recording room where those who wants to record their lectures, can record lectures in this recording room. Students can communicate with any teacher on non-teaching staff for academic purpose through digital because the citizen ship chart is displayed at the entrance of the college as well as on the college website. The mobile numbers and emails of all teaching and non-teaching staffs are available on the college website. Any query regarding to admission, students and their parents can refer it.
Finance and Accounts	Nutan Mahavidyalaya implements LMS. It is a platform to monitor attendance, update student performance, and mentor- mentee counseling information. It also helps us to monitor the progress of scheduled classes and various other administrative works. It also assists us to communicate students' performance to parents through SMS, and E-Mail. Parents are also provided with login credentials through which they can access to their information by logging into the LMS portal. The college uses the CMC Software for the planning and development. Apart from it, the college is using the ERP software for the Finance and accounts. The admission slip, due, no-due form, scholarship

	etc. information and work is completed with the help of CMS and ERP. The financial internal audit is completed with the help of CMS and ERP. Every transaction is completed with using CMS and ERP.
Student Admission and Support	For Student Admission and Support, the college has to keep up the documentation in more transparent way so, from the last 5 decades records of students are enlisted in digital form in the administrative office, accounting of students with pending dues and paid due are empanelled in the library. Documentation was essential to keep a track of scholarship and free ship issued to needy and for students with high academic excellence. Students' admission details into different courses Academic results of students, to know the performance of students in each courses important document, government circular and important notices are categorized properly Nutan Mahavidyalaya, Selu implements LMS. It is a platform to monitor attendance, update student performance, and mentor-mentee counseling information. It also helps us to monitor the progress of scheduled classes and various other administrative works. It also assists us to communicate students' performance to parents through SMS, and E-Mail. Parents are also provided with login credentials through which they can access to their information by logging into the LMS portal. The college uses the CMC Software for the planning and development. Apart from it, the college is using the ERP software for the Student Admission and Support.
Examination	Nutan Mahavidyalaya implements LMS. It is a platform to monitor attendance, update student performance, and mentor- mentee counseling information. It also helps us to monitor the progress of scheduled classes and various other administrative works. It also assists us to communicate students' performance to parents through SMS, and E-Mail. Parents are also provided with login credentials through which they can access to their information by logging into the LMS portal. The college uses the CMC Software for the planning and development. Apart from it, the college

is using the ERP software for the
smooth running of examination. Now
after March 2020, the pandemic
situation arose across the world, where
the need of digital communication
increased, therefore, the college
teaching and non-teaching staffs are
trained to conduct online examination.
After that, they are asked to train
students to become habitual and
familiar with the entire process of
online and as a result, maximum
students prefer online examination

6.3 – Faculty Empowerment Strategies

6.3.1 – Teachers provided with financial support to attend conferences / workshops and towards membership fee of professional bodies during the year

6.4 – Financial Management and Resource Mobilization

6.4.1 – Institution conducts internal and external financial audits regularly (with in 100 words each)

The Program Assessment Committee (PAC) consists of principal, Heads of Departments (HODs) and controller of examinations. The PAC is responsible for preparing the academic calendar before the commencement of the semester. The academic calendar breaks down the academic year into two semesters. It provides the information of the courses for the semester, dates of commencement of class work, syllabus completion, examinations, list of holidays, and the total number of working day The faculty members of the concerned department gather the lists of courses for the coming semester, and the HOD finalizes the allocation of courses based on the faculty's choice and area of specialization. Faculty members then prepare the lesson plan before the commencement of semester, indicating the topics to be covered, teaching methodologies being applied, and assignments given to students and the number of lectures. A course file for each course is prepared by the faculty, which includes course objectives, outcomes, schedule, references, study material, and questions from previous examinations papers. Students will be provided with the course file in the first week of the semester to provide them awareness about the subject and plan for the semester. The evaluation process for each subject is duly reviewed by a senior faculty in the department, approved by the HOD, and then made available to the students. Timetable in-charge of each department prepares the timetable as per the guidelines given by the university and gets it approved by PAC. The time-table is then uploaded in LMS system and displayed on the respective department notice boards. The performance of the student is assessed on a continuous basis by conducting two mid-exams per semester based on the university norms. The average marks of both mid-terms are taken into consideration. In addition to the tests, assignments, and quizzes are also part of assessment. The evaluated answer scripts are shown to the students to clarify their doubts about the evaluation process. The academic schedule prescribed is strictly adhered by all departments. The college maintains a high standard through continuous assessment and ensures end semester and practical examinations are conducted jointly by the concerned teacher and an external examiner appointed by the university. Schedule of the end-semester examinations and rules and regulations about evaluation of students under various courses are also included in the academic calendar. The institution strictly follows the calendar of the examination system printed by the affiliating university continues escalation of students pre-examination process and post examination process all are strictly for and confidential adhered to the university directives are strictly allowed and implemented. The college follows the semester system and CBCS system and the institution undertakes and monitor the continue assessment of the institute through different methods at the end of

the end semester- for the development of students. There is systematic mechanism to conduct all examinations internal test practical and prescribed measures are there to address the students' evaluation grievances. The marks of the internal assessments' are displayed on the notes board and web-site of the college. The exam related grievances

7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

Nutan Mahavidyalaya Selu has well equipped and impressive infrastructure over 29 acres of land, 5042.89 sq. mt. (54,261.5 sq.ft.) of built-up area, serene green land which provides an eco-friendly environment, and laboratories to conduct experiments and simulations. The college has asset of botanical garden consisting 1006 species with green coverage of college campus about 14.144. The institution provides solid, liquid and e- waste management to achieve a higher level of environmental sustainability. Rainwater harvesting system enabled the institution to manage the increased demand for water. Institute has installed sanitary napkin vending machine, CC (Close Circuit) of cameras, there is provision of wheel chair and ramp for physically challenged people. College has its own botanical garden with Medicinal plants. Institute regularly conducts green audit. The college has regular annual base activity of Wraksh-rakha bandhan and Soil Testing. The farmers meet with giving guidance on the soil. its quality, the useful product for good farming etc. NVSS'S Nutan Mahavidyalaya Selu has adopted neighborhood kundi village for various welfare activities such as health and hygiene awareness, community learning and development, and education development. The village received cleanest village title from Government of Maharashtra. To maintain the eco-friendly environment, the college is well aware about the waste management and following waste management practices are examples of it: Solid waste management: Solid waste is collected and segregated in two separate bins as dry wet waste. The Greencolored dustbins are meant for wet and biodegradable wastes. Red dustbins are meant for dry waste, disposal of plastic wrappers and non biodegradable wastes, papers and glass bottles. Cleaning or emptying of the dustbins is being done on a regular basis every day. Dried leaves and plant clippings are collected and segregated in compost pits to produce vermin compost and bio fertilizers which is used as organic manure to increases fertility of the soil in botanical garden . Liquid waste management: Liquid waste from kitchens, toilets, sent into Sewerage Treatment Plant (STP) and recycled, this water is used for watering plants and flushing of toilets. E-waste management: At the end-of computers useful life, they are collected from different locations of the campus by designated technicians. The computers are sometimes repaired and some are likely not repaired due to the level of damage. The irreparable are inspected by the authorities and it's open for disposal through contractors or vendors for reuse / recycling purpose. The Rain water Harvesting: It has enabled rainwater harvesting system (RWH) in the campus. Rain water collected from roof top of the buildings, paved streets, parking lots, sidewalks is sent to storage tank. After the tank is full, the overflow water is sent to recharge pit which improves ground water level.

7.2 – Best Practices

7.2.1 - Describe at least two institutional best practices

Best Practice number one: Title of the Practices: Covid-19-Disaster Management: The objectives of this unique practice are as follows: a. To inculcate human values amongst students. b. To serve for humanity in pandemic situation. c. To control the pandemic situation with proper disaster management. d. To brief the importance of sanitization and hygiene. e. To develop the habit of serving for humanity in any situation/condition. • Context: Nutan Mahavidyalaya, Selu was established in the year 1968. The institution is totally established to serve for humanity and to inculcate human habit amongst students. The Government of India declared Lockdown on 22nd March, 2020. The people from several states

living in Maharashtra started to go back towards their native place. The government ordered to all local administration of India to stop these migrate

people where they are and take care of them. Nutan Mahavidyalaya, Selu has provided Their Boys' hostel to these migrate people for residence. There were 68 migrate people who stayed in this hostel around one and half month. They felt here as their own home. The proper care of theses migrate people has been taken with food, shelter, entertainment, medical checkup etc. when they left the hostel, they have tears in their eyes. Such familiar treatment is given to them in the college hostel. Named Shriramji Bhangdiyaji Boys' Hostel is made available for the migrate people by the organization. There were around 65 people who were in this hostel around 75 days. The organization provided their best possible facilities to these 65 migrate people including food, daily needs, medical care and Tv set for their entertainment. Dr. S.M. Loya (President, Nutan Vidyalya, Shikshan Santha, Selu), Mr. D.K. Deshpande (Secretary, Nutan Vidyalya, Shikshan Santha, Selu), Dr. V.K. Kotherkar(Joint-Secretary, Nutan Vidyalya, Shikshan Santha, Selu), Mr. Jaiprakashji Bihani (Joint-Secretary, Nutan Vidyalya, Shikshan Santha, Selu), Dr. Sharad Kulkarni Principal, (Nutan Mhavidyalata, Selu), Prof. Nagesh Kanhekar (Supervisor Junio College, Nutan Mahavidyalaya, Selu Dr. Nirmala S. Padmavat (IQAC Coordinator, Nutan Mahavidyalaya, Selu) and other teaching staff, office staff and non-teaching staff worked at their level best to create family environment for these migrate people. Practice : The college works to serve for humanity and always ready to help needy people. This helps students' to inculcate human values amongst student. Dr. Sharad S. Kulkarni, Principal, Nutan Mahavidyalaya, Selu, Mr. Nagesh Kanhekar (Supervisor, Sister Unit of Nutan Mahavidyalaya Selu), Mr. Mahesh Kulkarni (Lecturer- History Junior College, Sister Unit of Nutan Mahavidyalaya Selu), personally cared for these people. Rithe Mama-Peon, Mr. Kailas Athwale -Poen, Mr. Manoj and Sakharam -Poen served for them. Dr. Sanjay Harbade, Medical Superintendent of SDH Selu and his medical team was there to take care of health related issues of these people while Mr.Vinod Borade (Mayor Selu Town and Alumni of the College), Mr. Umakant Pardhi SDM (Selu Tehsil), Mr. Shewale -Tehsildar (Selu Tehsil), Vasundhara Borgavonkar (PI-Selu Police Station) Government Education Department, BDO, NGOs and other all social worker came together and helped to serve these migrate people at their level best and helped Nutan Mahavidyalaya, Selu. Evidence of Success: Migrate people felt as they are living at their own home. The college made availability of tea, breakfast, lunch, dinner, tooth, brush, tooth paste, bath soap, cloth washing soap with the help of few teaching staff and NGOs as Mahesh Rugn Sewa Mandal Selu took responsibility of lunch while dinner is organized by Late. Nitin Cricket Mandal Selu. Tea and breakfast is managed by few college staff. Apart from it, the college had installed two large size TV set for the entertainment of these people. One lady was pregnant amongst these migrate group, the proper care of her health and medicine was taken. The success of evidence it that all these migrate people had tears in eyes when they left for their native. They gave feedback as they felt they are living at their own home. Problem Encountered: The migrate people were under anxiety and fear due to lockdown and uncertainty of life. Best Practice: 2. Title of The Activity: "Covid-19-Appropriate Behavior" Objectives: a. To make people aware about covid-19 b. To guide students, teachers, non-teaching and nearby locality about the Covid-19 appropriate behavior. c. To try to remove anxiety and stress of the students d. To guide Indian citizen about Covid-19 and appropriate behavior to keep safe to self. e. To distributes the mask, food and daily needs to the needy people. Context : Since November 2019, the pandemic situation of Covid-19 created uncertainty of human life and their survival on the Earth. Disasters are always there on the earth in different forms as Flood, draught, cyclone, epidemics, pandemic and so on. Today, the whole world is fighting with pandemic situation due to covid-19. Nutan Mahavidyalaya, Selu has tried their best to work for covid-19. The meeting for planning is Planning meeting for Selu Taluka conducted at SDO office with all taluka level officers. The Place for Meeting is in Auditorium Hall of Nutan Mahavidyalya, Selu. To protect

yourself and others against COVID-19, clean your hands frequently and thoroughly. Use alcohol-based hand sanitizer or wash your hands with soap and water. If you use an alcohol-based hand sanitizer, make sure you use and store it carefully. Also conducted a corona quiz competition during the lockdown and participated in quiz competition organized by various colleges in Maharashtra and other states. Students of the institute are encouraged to create awareness through social media such as Facebook, Whatsapp and Instagram. Practice: There were several practives conducted by NUtan Mahavidyalaya Selu to make people aware about covud-19 and appropriate behavior against it. The list of it is given below with proper link. • Conducted a COVID-19 awareness test .. Downloadscovid19 (Responses) - Form Responses 1.pdf • Conducted a Physical Fitness Quiz .. DownloadsHEALTH QUIZ (Responses) - Form Responses 1.pdf • Organized a Three Days' National Level Faculty Development Program on 'Challenges and Remedies of COVID-19 Post Lockdown". links: https://www.youtube.com/watch?vu63858BzWxk, https://www.youtube.com/watch?vGB2XoTRrSc4t112s, https://www.youtube.com/watch?vmj9rTGC4olM ..DownloadsEvent Feedback (Responses) - Form Responses 1.pdf ..DownloadsEvent Feedback 2 (Responses) -Form Responses 1.pdf ..DownloadsEvent Feedback 3 (Responses) - Form Responses 1.pdf .Downloadsfeedback students (Responses) - Form Responses 1.pd: https://docs.google.com/forms/d/1t0XMpP21hpp6hblh8C0ny1FOGL_iz1lG8_1g2WwsjU/edit?uspdrivesdk .Downloadscovid19 (Responses) - Form Responses 1.pdf DownloadsHEALTH QUIZ (Responses) - Form Responses 1.pdf Evidence of Success: The Covid is not affecting by its direct attack but also affecting to the students psychology. The problems of examination, career, and upcoming academic year are hitting to the pupil of India. To make these students of nearby locality and all over India, the college has organized One Day Session on 'Stress Management in Students Due to Covid-19 and Extended Examination.' The institute Nutan Mahavidyalaya Sailu, Dist. Parbhani, Maharashtra is conducting Online Quiz on Covid-19 Awareness program. This quiz is solved more than 2200 people across the nation. The participants' are from all sectors including revenue officers, Doctors. Evidence of Success: The Covid is not affecting by its direct attack but also affecting to the students psychology.
